

DRIVEWISE

Mahindra XUV 7XO — Structured Vehicle Knowledge Base

RAG-ready reference derived only from the uploaded 30-page manufacturer brochure

Purpose

This document converts the visual, marketing-heavy XUV 7XO brochure into concise sections that are easier to chunk, embed and retrieve in DriveWise. Page references point back to the original brochure for verification.

Important: Equipment differs by variant, seating configuration, fuel, transmission and drivetrain. Variant-specific information should override general feature descriptions during retrieval.

1. Vehicle Overview

Manufacturer: Mahindra & Mahindra Ltd.

Model: XUV 7XO

Body / seating: SUV with 6- and 7-seat configurations on applicable upper variants; the technical matrix identifies variant-specific seating and powertrain combinations.

Variants shown: AX, AX3, AX5, AX7, AX7 TECH and AX7 LUXURY.

Source: brochure pp. 28 and 30.

2. Engine & Performance

Engine	Capacity	Max Power	Max Torque	Transmission
Turbo Petrol Direct Injection (TGDi)	2.0 L	149.2 kW @ 5000 r/min	380 Nm @ 1750–3000 r/min	6 MT / 6 AT
Turbo Diesel with CRDe	2.2 L	136 kW @ 3500 r/min	420 Nm @ 1600–2800 r/min (MT) 450 Nm @ 1750–2800 r/min (AT)	6 MT / 6 AT

The brochure also presents Zip, Zap and Zoom drive modes and an all-wheel-drive capability on applicable configurations.

Source: brochure pp. 27 and 30.

3. Dimensions, Suspension & Brakes

Dimensions (L × W × H): 4695 × 1890 × 1755 mm with roof rail.

Wheelbase: 2750 mm.

Fuel tank: 60 L.

Front suspension: McPherson strut independent suspension with FSD and stabilizer bar.

Rear suspension: Multi-link independent suspension with FSD and stabilizer bar.

Brakes: Front ventilated disc / rear solid disc; electronic parking brake is listed as an option in the technical specification.

The brochure separately highlights all four disc brakes and describes Frequency Selective Damping / DaVinci damping technology.

Source: brochure pp. 10, 25 and 30.

4. Wheels & Tyres

The technical specification lists 235/65 R17 steel wheel with full-size wheel cover, 235/65 R17 Versa wheel, 235/60 R18 diamond-cut alloy, 235/55 R19 diamond-cut alloy, and a 155/90 R18 temporary steel wheel. Wheel type depends on variant.

Source: brochure pp. 5, 28 and 30.

5. Digital Cockpit & Connected Technology

Coast-to-coast screens: The brochure presents a wide multi-screen cockpit interface.

Processor: Qualcomm Snapdragon SA8155P chipset.

Memory: 16 GB RAM and 128 GB ROM are stated on the technology page.

Connectivity: Up to 2.4 Gbps, Wi-Fi 6.0 and Bluetooth 5.2 are stated.

Apps: More than 49 pre-installed apps are advertised.

Adrenox+ Connect: 93 connected features are advertised.

Source: brochure pp. 11–13.

6. Audio & Entertainment

The brochure advertises a first-in-segment 16-speaker Harman Kardon audio system on applicable variants, Studio 3D immersive sound, Dolby Vision, Dolby Atmos and VenueScapes Live.

These premium audio/visual features are associated with upper variants in the variant walk; they should not be treated as standard across the range.

Source: brochure pp. 14–15 and 28.

7. Cabin, Seats & Comfort

Skyroof: Panoramic Skyroof is highlighted in the brochure and appears from applicable variants in the variant walk.

Ventilated seating: Front and rear ventilated seats are highlighted; the AX7 TECH list includes ventilated front seats, while AX7 LUXURY adds ventilated rear seats.

Climate: Dual-zone fully automatic climate control is listed on AX7 and above in the variant walk.

Power seats: AX7 includes a 6-way powered driver seat with memory/welcome retract; AX7 LUXURY adds a 6-way co-driver power seat with Boss Mode.

Other upper-variant comfort: Retractable rear sunblind, rear wireless charger with active cooling and front/rear plush seat pads are listed for AX7 LUXURY.

Source: brochure pp. 8, 17–21 and 28.

8. Convenience & Parking

The brochure highlights a 540-degree camera with digital video recording, approach unlock / walk-away lock, Intelli Control, electronic parking brake and multizone ambient lighting on applicable variants.

The variant walk shows rear-view camera from AX3, front parking sensors on AX5, and the 540-degree surround-view feature on AX7.

Source: brochure pp. 20–21 and 28.

9. Safety & ADAS

The base AX list includes Electronic Stability Control with 17 features, ABS, EBD, TCS, Hill Hold Control and Hill Descent Control. It also lists 6 airbags through the third row and ISOFIX.

The brochure presents **Level 2 ADAS with Sense+** and describes a comprehensive 17-feature ADAS suite on the applicable ADAS-equipped variant.

ADAS / assistance feature	Brochure presentation
Front Vehicle Start Alert	Shown in Level 2 ADAS suite
Traffic Sign Recognition	Shown in Level 2 ADAS suite
Auto Emergency Braking	Shown in Level 2 ADAS suite
Forward Collision Warning	Shown in Level 2 ADAS suite
Lane Keep Assist	Shown in Level 2 ADAS suite
Smart Pilot	Shown in Level 2 ADAS suite
ADAS Dynamic Visualization	Listed for AX7 TECH
Adaptive Cruise Control	Listed for AX7 TECH; brochure disclaimer specifies AT only

The brochure disclaimer states that ADAS assists the driver and is not a substitute for human vigilance. It also specifies that Smart Pilot Assist and Adaptive Cruise Control are available only on AX7 TECH Automatic and AX7 LUXURY Automatic variants.

Source: brochure pp. 23, 28 and disclaimer on p. 30.

10. Variant Walk

Variant	Key incremental brochure features
AX	Bi-LED projector headlamps with DRL; coast-to-coast triple 31.24 cm HD screens; 6-speaker audio; Alexa built-in with ChatGPT; wire
AX3	Adds rear-view camera with dynamic guidelines; electrically foldable ORVM with auto fold; rear wiper & wash; rear demister.
AX5	Adds Skyroof; front parking sensors; telescopic steering; R17 Versa wheel; map reading lamps; driver/co-driver sun visor with slide-c
AX7	Adds R18 diamond-cut alloy; Adrenox+; leatherette seat/steering/gear trim; 6-way driver power seat with memory; 540° surround vie
AX7 TECH	Adds Level 2 ADAS with Sense+; ADAS visualization; adaptive cruise control (AT only); 16-speaker Harman Kardon; Dolby Atmos; S
AX7 LUXURY	Adds R19 diamond-cut alloy; front/rear leatherette door trim; multizone ambient lights; Dolby Vision & Atmos; 6-way co-driver power

11. Powertrain / Seating Availability

Variant / seating	Petrol MT	Petrol AT	Diesel MT	Diesel AT	Diesel AWD AT
AX — 7 STR	Yes	—	Yes	—	—
AX3 — 7 STR	Yes	Yes	Yes	Yes	—
AX5 — 7 STR	Yes	Yes	Yes	Yes	—
AX7 — 7 STR	Yes	Yes	Yes	Yes	—
AX7 TECH — 6 STR	—	Yes	Yes	Yes	—
AX7 TECH — 7 STR	—	Yes	Yes	Yes	Yes
AX7 LUXURY — 6 STR	—	Yes	—	Yes	—
AX7 LUXURY — 7 STR	—	Yes	Yes	Yes	Yes

Source: technical configuration matrix, brochure p. 30.

12. Exterior Colours

The brochure shows Desert Myst, Everest White, Nebula Blue, Stealth Black, Ruby Velvet, Galaxy Grey and Midnight Black.

13. Recommended DriveWise Metadata

Field	Example
brand	Mahindra
model	XUV 7XO
variant	AX7 TECH
seating	6 STR / 7 STR
fuel_type	Petrol / Diesel
transmission	MT / AT
drivetrain	2WD / AWD
category	Engine / Safety / ADAS / Comfort / Technology / Design
feature	Adaptive Cruise Control
availability_condition	AX7 TECH / AX7 LUXURY Automatic only, where applicable
source_page	23 / 28 / 30
source_type	Official brochure

14. Retrieval Guidance for DriveWise

Priority: technical configuration matrix and variant walk → detailed feature page → general marketing page.

Hard filters: When the user specifies variant, seating, fuel, transmission or AWD, filter by those fields before semantic similarity search.

Do not overgeneralize: A feature shown in a showcase page may apply only to selected variants. Use the variant walk and page-30 disclaimer to resolve availability.

Answer format: Direct answer → configuration/variant condition → short explanation → original brochure page reference.

Source of truth: This PDF is a retrieval aid. Keep the original XUV 7XO brochure alongside it for verification.
